

2023 HDHP/HSA Preventive Medications Premium Formulary

Kansas City

This list provides examples of commonly prescribed preventive medications. It is not an all-inclusive list; only examples of medications in each category are listed. This list does not indicate coverage. Please check with your plan administrator and/or benefit information materials if you have questions about drug coverage. Your cost share will be determined by your plan's drug coverage and formulary plan. Coverage prior to the deductible being met may not be provided for every dosage form of a listed medication.
