Important Questions	Answers	Why This Matters:
What is the overall Deductible?	Network: **$4,000**/Individual or **$8,000**/Family per Plan Year Out-of-Network: **$4,000**/Individual or **$8,000**/Family per Plan Year	Generally, you must pay all of the costs from providers up to the Deductible amount before this plan begins to pay. If you have other family members on the policy, they have to meet their own individual Deductible until the overall family Deductible amount has been met.
Are there services covered before you meet your Deductible?	**Yes:** Network preventive care.	This plan covers some items and services even if you haven't yet met the annual Deductible amount. But a Co-Payment or Coinsurance may apply. For example, this plan covers certain preventive services without Cost-Sharing and before you meet your Deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other Deductibles for specific services?	**No.**	You don't have to meet Deductibles for specific services.
What is the out-of-pocket limit for this plan?	Network: **$5,000**/Individual or **$10,000**/Family per Plan Year Out-of-Network: **$10,000**/Individual or **$20,000**/Family per Plan Year	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. The combined out-of-pocket limit shall not exceed the federal maximum. Network/Out-of-Network out-of-pocket maximums and any other benefit maximums do not cross-satisfy one another.
What is not included in the out-of-pocket limit?	Premiums, Pre-Certification penalties, cost containment penalties, balance billing charges, ineligible charges, amounts over the maximum allowable charge, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a Network provider?	**Yes**, see the back of your ID card for more information.	This plan uses a provider Network. You will pay less if you use a provider in the plan's Network. You will pay the most if you use an Out-of-Network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (a balance bill). Be aware, your Network provider might use an Out-of-Network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	**No**, you do not need a referral to see a specialist.	You can see the specialist you choose without a referral.

All **Co-Payment** and **Coinsurance** costs shown in this chart are after your **Deductible** has been met, if a **Deductible** applies.
